MILWAUKEE DAILY SENTINEL, FRIDAY MORNING, JANUARY 4, 1856.

Washington, Dec. 21. A message from the President was received.—
He states that he has delayed until this time his annual communication to the two Houses in consequence of non-organization of the House, but his convictions of duty will not permit him to de-lay any longer giving to Congress information on the state of the Union, and recommending such measures as he judges to be necessary or expedient.
After the reading of the Message, Mr. Clayton

made some remarks relative to the treaty of April 19, 1850, in order to show the people of the Uni-ted States the strength of the position assumed by this Government relative to the Central Amered by nulls and watch towers, as it was handreds whose walls and fortifications have been either destroyed in war or removed to give place to pleasant walks and pronenades, according to modern taste. These walls are not circular, but the aggressive policy always pursued by Great Mr. Seward inquired whether the ground taken by the President has allowed the British Govern

The most reliable information received from parties occupying influential positions in Mexico, show a design of calling General Amonte to the head of affairs; they regarding him as a man of much experience, conservative in his opinion; who has had no complicity with the recent revolution in that country, who understands so thoroughly the working of Republican Institutations from his experience and residence here, and who at various periods has exercised his influence to induce Mexico to adopt a form of Government more is consonance with our own, hence the wish to place him in a position to give if possible permanent peace and position to give if possible permanent peace and stability to Mexico, by proceeding at once to the Court of St. James. He will it is understood, depart from Mexico and there place bimsolf at the disposal of his friends. Should he be culled to the head of the Mexican Government and secured to the head of the Mexican Government and secure the stable process. care the ends suggested, the result cannot fail to be gratifying to our own countrymen.

Gov. Gardiner's message was delivered to the Legislature to-day, he recommends 21 years resi-dence of foreign born citizens and ability to read and write before they are allowed to yote, he ap-preciates the passage of the personal liberty act by the last Legislature, and urges its speedy re-peal, and suggests a reduction of the number of members of the popular branch of the Legislature, and denounces lobbying Legislature. The mea-sage is strongly Native American in its tone.

night to supply the duly increasing wants of the Badyer and other States.

In order the better to do this, the proprietors have erected a large brick Foundry in addition to their former premties. They have added to their stock of Tools a large
Planing or Shaping Machine, three Lathes, and a Machine
for making boils, and are now putting in a Steam Rights of

horse power to drive the whicle, thereby adding to the
former facilities for the successful carrying on of the Foundry, Machine, Engine and Blacksmithing business. They
never were in a butter portion for doing pushness, and

In regard to the obstacter of the work got up by this The Oldest Establishment in the State the Proprietors refar to that in successful operation through the couplry as their best recommendation, as it can speak for itself. All they can say is, that they are both Practi-cal Michards, and know how work should be done as wall as the next man.

They continue to manufacture FLOUR and &AW MILL GEARING, and STEAM ENGINES, on the most approved principle. GEARING, and STEAM ENGINES, on the most approved principle,
They have always on hand a large slock of BRASE WORKS, such as Graze and Crusbys Cours, on Curs and Cooks, and Steam Withthese. Also Texton's Filing, which they will sell at the lowest cash price.

They are also Agents for Engran's Patters Filing, which they will sell at the lowest cash price.

They are also Agents for Engran's Patters Filing Grades, which are well worth the altention of all those who are steam Engines.

In conclusion, they invite a continued share of the patronage of their old friends, and solicit a call from all those in want of Saw or Flouring Mill Work, assuring them that no experious will be epared to render the Old Engle worthy of the reputation it has already gained.

Their motio is, "Exceletion Same...

THOSE SESSOR WOOD'S Half Restorative is no
doubt the most winderful discovery of this age of
progress, for it will restore, permanently, grey hair, to its
original volor, cover the head of the ball with a most
luxuriant growth, remove at once all dandruff and itching,
care all Scrotina and other entaneous cruptions, such as
send head, &c. It will cure as if by magic, nervous or
periodical bendache, make the bair soft, glossy, and way,
and preserve the color perfectly, and the hair from falling
to extreme old age. We could give the testimony of more
than one bundred thousand to the truth of every word we
have written. See circular and the following:

I have used Prof. Wood's Half Restorative, and have
admitted its wonderful effect. My bair was becoming, as
I thought prematurely grey; but by the use of his Restorative it has resumed its original color, and I have no doubt
